

Junior Ambassadors Committee

Junior Ambassador Committee Members are dedicated young leaders who have made the commitment to spread our mission. Members will provide support, guidance, and inspiration to their fellow Junior Ambassadors and to kids within their communities. They will work together to raise awareness of the Junior Ambassador program and continue to find innovative ways of fundraising for Children's Hospital Los Angeles.

ROLES AND RESPONSABILITIES

- All members must be in high school
- Participate in Junior Ambassador Committee meetings
- Encourage and inspire others to their highest service
- Become a community representative by bringing awareness to pediatric health issues
- Introduce the Junior Ambassadors program to their schools and community groups
- Join the Junior Ambassadors Committee email list
- Optional: Participate in speaking engagements and act as hospital tour guides
- Optional: Join the Ambassadors Facebook Group and promote messaging via social media outlets
- Support Children's Hospital with an annual commitment to raise funds
